MEMORANDUM

TO: Commissioners Hardy, Golc, Landis, Server and Ziegner

FROM: E. Curtis Gassert, Assistant Director of Water/Sewer Division *ECG*

DATE: April 24, 2008

RE: Utility Articles for Next Conference

The following Final Articles "A", "D", and Preliminary Article "A" are submitted to each of you to acquaint you with the tariffs eligible for action or acceptance on or after April 30, 2008.

ECG/ld

**"A" Final**

*The following miscellaneous item(s) will be eligible for final consideration at the next Commission Conference and based upon review by staff members of the Commission, I recommend approval.*

**1. Indianapolis Power & Light Company**

The utility seeks to revise its Municipal Tariff (MU-1) in order to allow service to municipal devices other than street lights and traffic signals. This revision is responsive to requests from municipalities who have a need for electricity for devices such as antennas, cameras and wireless communication equipment used for public purposes. Since this filing utilizes the existing flat rate traffic signal and safety lighting service, no cost justification was necessary in this filing. The utility has contacted affected customers regarding the proposed change.

The tariff sheets affected are:

- Rate MU-1 – Municipal Lighting and Other Devices, sheet No. 90
- Rate MU-1 – Municipal Lighting and Other Devices, sheet No. 93
- Rate MU-1 – Municipal Lighting and Other Devices, sheet No. 94
- Table of Contents – Sheet No. 2.

**"D" Final**

*A revision to the purchased power cost tracker for electric utilities has been reviewed by staff members of the Commission and found to be in compliance with the orders of the Commission. The requirements prescribed for these filings in Commission Order No. 34614 have been met and I recommend approval.*

<b>Item No.</b>	<b>Utility Name</b>	<b>Purchased Power Cost Tracker</b>		<b>Filing No.</b>
		<b>Resultant (\$/kWh)</b>	<b>Change (\$/kWh)</b>	
1.	Marshall County	0.025081	0.000144	080430D
2.	Northeastern	0.024290	0.000209	080430D1

The changes in rates are for billing effective May 1, 2008.

The change in Marshall and Northeastern's rates is due to a change in Wabash Valley Power Association's rates.

Please indicate your consideration and action of the preceding items on the appropriate lines provided below.

E. Curtis Gassert, Assistant Director of  
Water/Sewer Division

I approve of all items as presented above

I approve of all items as presented above except

Not participating in the following items

I, \_\_\_\_\_, Disapprove Items

No.

I, \_\_\_\_\_, Wish to Defer Items

No.

I hereby certify that the above is a true and correct copy of the action on the articles.

\_\_\_\_\_  
Brenda A. Howe  
Secretary to the Commission

**"A" Preliminary**

*The following new miscellaneous item has been reviewed by staff members of the Commission and we recommend accepting it for filing.*

**1. Indiana Bell Telephone Company, Inc. d/b/a AT&T Indiana**

The Company proposes to modify service boundaries between the Cedar Lake and Lowell exchanges, both of which are served by AT&T Indiana. This change is proposed to facilitate common exchange service to new residential sub-division.

**Customer Notification**

Customer notification is not required. Boundary change will not impact any foreign exchange or existing facilities or services.

**Project Details**

The area involved is located in R9W and T33N, section 4. Detailed schematics of the boundary area change is attached.

The existing southern Wire Center Boundary between the Cedar Lake and Lowell exchanges currently follows the Hanover Township and West Creek Township boundaries. The township line is 1,200 feet north of 151<sup>st</sup> Street.

The proposed change drops the wire center boundary line from the existing township line at the centerline of Parrish Avenue, south to the intersection of 151<sup>st</sup> Street and Parrish Avenue. The new line will follow the centerline of 151<sup>st</sup> Street, west to the N.Y.C.R.R. tracks. The new line will then proceed north along the railroad tracks to existing Wire Center Boundary.

**AT&T Indiana Supporting Documentation**

On March 19, 2008, AT&T Indiana attached a copy of the exchange area map for Cedar Lake, Fourth Revision, dated June 27, 1996. The original Cedar Lake map was filed with the Commission on August 13, 1959. The Cedar Lake exchange service area lies within Lake County.

AT&T Indiana also attached a copy of the exchange area map for Lowell, Second Revision, dated July 1, 1976. The original Lowell map was filed with the Commission on September 8, 1953. The Lowell exchange service area lies within Lake County.

In its March 19 filing, AT&T Indiana enclosed Certificates of Territorial Authority for the Cedar Lake Exchange, Fourth Revision (June 27, 1996) and for the Lowell Exchange, Second Revision (July 1, 1976), which are being surrendered for the issuance of proposed revised certificates: Cedar Lake-Fifth Revision and Lowell-Third Revision.

- The tariff sheet to be superseded for the proposed Cedar Lake boundary change Indiana is Indiana Bell Tel. Co., Inc., IURC No. 20, Part 4, Section 6, Original Sheet No. 1

ORIGINAL  
APRIL 30, 2008

("Cedar Lake"), Fourth Revision. The replacement sheet will be considered the Fifth Revision for this tariff sheet.

- The Lowell boundary map to be superseded is entitled Indiana Bell Telephone Company, Incorporated. Exchange Area Map ("Lowell"). Second Revision (Effective July 1, 1976). The replacement map will be considered the Third Revision. The Lowell boundary map is a stand-alone document; it is not included in the IURC No. 20 Tariff.

E. Curtis Gassert, Assistant Director of  
Water/Sewer Division
